VESSELS LOST

The losses embraced in this list are classified as follows:
1. *Foundered.*—Casualties due to leaking or capsizing of vessels, including vessels lost at sea not due to causes 3 or 4, and vessels not reported after sailing.
2. *Stranded.*—Casualties due to vessels running aground, striking rocks, reefs, bars, etc.
3. *Collided.*—Collision between vessels only.
4. *Burned.*—Casualties due to fire.
5. *Abandoned.*—Abandonment at sea (but not abandonment due to age).
6. Self-explanatory causes not included in preceding classification.

The place given is the position, at, off, or near which the casualty occurred.
The information in columns headed "On board" and "Lives lost" is furnished by the Coast Guard.
