Meeting called to order.

Dues and registration for 2024 fall season collected.

Treasury report by Matt Heimbach: Account in decent shape heading into fall 24 season.

Discussions:

Matt talked about the Fall 24 season schedule being 14-15 weeks long with no breaks in between weeks other than a team having a bye week. Not sure if there will be 6 or 7 teams. If only six teams, season starts next week. If another team joins then we start on August 1st. Should know by the end of the weekend.

Joyce Owens proposed to give shot glasses with inscription of the award for best shot instead of plaques that are usually presented. Motion to accept the motion carried.

Meeting adjourned!
