[SECRET]

HEADQUARTERS HAWAIIAN DEPARTMENT,
OFFICE OF THE DEPARTMENT COMMANDER,
Fort Shafter, T. H., 25 April 1941.

In reply refer to:
AG 230.3/37

Subject: Reorganization of the Forces of the Hawaiian Department.
To: The Adjutant General, Washington, D. C.

1. Reference is invited to:
 - A. Secret letter, HHD to TAG, 25 February 1941, subject: "Reinforcements for Hawaiian Department", file AG 320.2/58.
 - B. Secret radio, TAG to HHD, 19 April 1941, 744-18th and reply thereto, HHD to TAG, 22 April 1941. AG 325/18-18a.
 - C. Secret letter, HHD to TAG, number 2645-18, dated 18 April 1941, in connection with Medical Department Enlisted Reinforcements. On file in Department Surgeon Office.
2. It is recommended that authority be given this headquarters to organize the present Hawaiian (Square) Division into two (2) separate and independent Triangular Divisions. Under War Department, tables of Organization, No. 70, dated November 1, 1940, current shortages exist in both personnel and material but it is believed that a desirable reorganization can be accomplished without increases in present strength other than the expansion of certain units as requested in my References A, C, and D, and requested reinforcements to organize a Reconnaissance Troop in each of the proposed Triangular Divisions. In paragraph d, Reference A, I requested the necessary reinforcements to organize the Infantry Regiments of the Hawaiian (Square) Division under current War Department, Tables of Organizations, No. 7, dates November 1940, and assuming favorable action on the recommendation, the reinforcements requested herein for the expansion of existing units are in accordance with Reference A. A summary of the proposed reorganization with tables showing personnel shortages hereto as Inclosure No. 1.
3. Primary reasons for this request are as follows:
 - a. For tactical purposes the Defense of Oahu is conducted in two sectors, they are, the North Sector and the South Sector. Two (2) Triangular Divisions are considered more flexible to accomplish defensive operations in the two separate sectors.

b. The proposed reorganizations presents no serious problems as to organization, command, staff and tactical unity.

c. The Hawaiian (Square) Division, as now organized and employed, constitutes a separate channel of command. Due to present organization it is less flexible than the proposed two (2) Triangulr Divisions and also retards the prompt execution of missions requiring the employment of one or more units of the Division in coordination with units of the other echolons under the control of the Department Commander.

d. As now constituted the land defense is assigned to the Division Commander as the Beach and Land Defense Officer, with the result that it permits the Department Commander to play no part in the defensive action, if and when, the air and coast defenses are knocked out.

4. National Guard and Selectee Units.

a. It is proposed to assign one of the two National Guard Infantry regiments now in Federal Service to each of the Triangular Divisions.

b. If the two National Guard Infantry regiments now in Federal Service are demobilized upon completion of one year's training and the Department's full yearly quota of three thousand (3,000) selectees are authorized, then it is planned to form two Infantry regiments from the selectees and assign one selectee Infantry regiment to each of the Triangular Divisions. See Reference B.

c. Should the two (2) National Guard regiments now in Federal Service and two (2) tentatively planned selectee regiments be in Federal Service at the same time then, it is planned to assign one selectee Infantry regiment to each of the Triangular Divisions and one or both of the National Guard regiments to defense missions on the Outlying Islands or retain one National Guard regiment as a Department reserve unit on Oahu.

d. By employing one National Guard regiment with each of the Traingular Divisions it will forstal lan expected request for a Brigade organization of the two Hawaiian National Guard Regiments.

5. Station Compliments

a. Schofield Barracks.

(1) It is recommended that a Brigadier General be assigned to Schofield Barracks for duty as an administrative Post Commander and that he be provided with a staff and commissioned assistants, warrant officer, nurses, enlisted men and civilian employees as shown in Inclosure No. 2, attached hereto, which lists the net minimum requirements desired in addition to permanent personnel now on duty at Schofield Barracks and not assigned to units of the present Hawaiian (Square) Division.

b. Fort Shafter.

(1) It is recommended that a Lieutenant Colonel be assigned to Fort Shafter as the Administrative Post Commander and that he be provided with the officer and enlisted Station Complement personnel as shown in Inclosure No. 3, attached hereto. The necessity for a station complement for the post of Fort Shafter is predicted upon operational missions of its garrison, the 64th Coast Artillery (Antiaircraft) regiment. When thus employed the regiment is absent from its station and because of post and administrative requirements is deprived of its maximum fighting strength. It is believed this serious handicap could be eliminated by employment of a Station Complement at Fort Shafter.

c. Station Complements are not requested for stations under control of the Hawaiian Air Force and the Hawaiian Separate Coast Artillery Brigade for the following reasons:

(1) Hawaiian Air Force: The duties of units of the 18th Bombardment Wing (Hickam Field) and the 14th Pursuit Wing (Wheeler Field) necessitate maximum operation, maintenance and control from Air Fields under the control of the Wing Commanders and from which the Post Administrative Staff and enlisted assistants will not be moved. With full consideration of the anticipated complement of three hundred (300) airplanes, no need for Station Complements exists.

(2) Hawaiian Separate Coast Artillery Brigade: Practically all of the field operational functions will be performed in the vicinity of the permanent station and no necessity for Station complements is considered except for Fort Shafter, as noted above.

6. After preparation of this letter, your 1st. Indorsement to our reference A was received. This request is being forwarded with a view of having it available for reference in the War Department, under the following conditions:

a. That this communication with its request for reinforcements as listed in Inclosure #1, be given reconsideration at the earliest date it is practicable to provide the reinforcements requested.

b. That authority be granted me to reorganize the present Hawaiian (Square) Division into two (2) Triangular Divisions by using the present available personnel and material. This can be accomplished in accordance with the last of your paragraph 3, 1st Indorsement, dated April 11, 1941, to my Reference A.

7. Organization of Air Defense Command.

a. In order that maximum coordination in all activities pertaining to the Air Defense of Oahu may be accomplished, I propose to create an Air Defense Command to be commanded by the Commanding General, Hawaiian Air Force, who will continue control of the 18th Bombardment Wing. I propose to constitute the Air Defense Command as follows:

- (1) Commanding General, Hawaiian Air Force.
- (a) Headquarters and Staff, Hawaiian Air Force.
- (b) 18th Bombardment Wing.
- (c) Air Defense Command.
 1. Aircraft Warning Service.
 2. 14th Pursuit Wing.
 3. Antiaircraft Artillery Brigade.

b. In the organization of an Air Defense Command no interference with normal antiaircraft training is contemplated. Only while actually performing operational missions is it planned to place the antiaircraft Artillery under the control of the Air Defense Commander. Furthermore, no increase in the numbers of the Staff of the Hawaiian Air Force is believed necessary in order to create an air defense Command for this Department. It is planned to have the Commanding General, Hawaiian Air Force, and his staff also perform the duties of the Commander and the Staff of the Air Defense Command. In order to avoid divided responsibilities due to the dual missions now required of some beach defense batteries, no action will be taken to form an Air Defense Command until the first increment of the antiaircraft artillery reinforcements, described in secret radiograms War Department, 25 and 26 April, 1941, have been received.

c. An Air Defense Command for the Hawaiian Department is believed peculiarly adaptable to this theater and will best meet the needs for defense against attacks from the air.

WALTER C. SHORT,
Lieutenant General, U. S. Army,
Commanding.

L. W. TRUMAN,
Capt. Inf.
12-22-41

AG 320.37/37B

5 June 1941.

Subject: War Garrison for Initial War Operations.

To: The Adjutant General, Washington, D. C.

1. Reference is invited to:
 - A. Secret Radio, TAG to HHD, 29 May 1941, 837-29th.
 - B. Secret letter HHD to TAG, 25 April, 1941, subject: "Reorganization of the Forces of the Hawaiian Department", file AG 320.37/37.
2. In compliance with instructions contained in Reference A, the composition of the war garrison for initial war operations has been studied. Table I herewith, shows the forces recommended, totaling 59,425 officers, warrant officers, nurses, and enlisted men, but not including the civilian employees now shown in Table I, par. 7, HDP-40.
3. The proposed war garrison consists of the following major units:
 - a. Two Triangular Divisions, less reconnaissance troops, with the Infantry and Signal Corps personnel at reduced strength.
 - b. Corps troops consisting of 2 light tank battalion, the existing 11th Ordnance Company, Division Pack Train, and Co. A, 1st Separate Chemical Battalion, and the recently authorized 34th Engineers, Combat, and the 804th Engineer Battalion (Avn.).
 - c. The Hawaiian Air Force with service elements at present strengths.
 - d. Harbor Defense Coast Artillery as now provided in the approved defense project reduced by the personnel required to man three fixed seacoast mortar batteries and three 155-mm GPF batteries.
 - e. Antiaircraft Artillery with no reduction from the approved defense project.
 - f. Service, elements, with reductions in the mobilization strengths as shown in par. 7 HDP-40, and with many units entirely eliminated.
4. (a) The necessity for the defense of existing military air fields on the outlying islands of the Hawaiian group, together with the recently assumed responsibility for the defense of the Naval Air Station at Kaneohe, Oahu, directed by secret letter WD to HHD, 8 April 1941. Subject: "Defense of Naval Air Station, Kaneohe Bay, Oahu, T. H.", file AG 381 (3-13-41) M-NPD, and provision of a suitable mobile reserve for the beach and land defense of Oahu are three vital missions which can not be performed with any degree of success with an initial war garrison of approximately 59,000 troops.
 - b. The 299th Infantry recently has been transferred from Oahu to the islands of Hawaii, Kauai, Molokai, and Maui for the defense of air fields, thus leaving the proposed North Sector division short one Infantry Regiment.
 - c. Plans for the defense of the Naval Air Station at Kaneohe, now in preparation in this headquarters, indicate the minimum increase in the war garrison for this mission will include the following:
 - 1 Regiment Infantry.
 - 1 Regiment Field Artillery, 155mm How., truck drawn.
 - 1 Battalion C. A., 155mm guns plus one additional battery.
 - 1 Regiment C. A., (AA), (semi-mobile) (less one gun battalion).
 - 1 Battery C. A., 12-inch barbette guns.
 - d. Assuming that two Infantry regiments will be furnished, one to replace the 299th Infantry and one for the defense of Kaneohe Bay, it is believed that the

mobile reserve for the beach and land defense should be comprised of the light tank battalion now included in Table I herewith, and Infantry units detached from one or both of the triangular divisions recommended in Table I herewith.

e. It is therefore urgently recommended that the strength of the war garrison for this department be increased from approximately 58,000 to approximately 70,600 men so as to provide the following unit reinforcements from the mainland, not now shown in Table I herewith:

2 Infantry Regiments, T/O 7-11 Nov. 1, 1940.....	6, 898
1 Regiment F. A. 155mm How T/O 6-41 Nov. 1, 1940.....	1, 733
1 Regiment C. A. (AA) Semi-mobile (less 1 gun bn) T/O 4-111 Nov. 1, 1940.....	1, 797
1 Bn C. A. 155mm guns, w/1 additional gun btry, T/O 4-35 Nov. 1, 1940.....	694
1 Btry C. A. 12-inch barbette guns, T/O 4-67 Nov. 1, 1940.....	157
Total.....	11, 279

5. Reference is invited to par. 5 and inclosures 1 and 2 of reference B in which it was recommended that station complements be provided for Schofield Barracks and Fort Shafter. Table I herewith includes provisions for the Quartermaster Corps, Finance Dept., Medical Corps, Signal Corps, and Ordnance personnel required for these station complements. It is highly desirable that the war garrison be increased sufficiently to provide the complete station complements for these two stations, an increase of 731 officers and men for Schofield Barracks and 131 officers and men for Fort Shafter.

6. Summarizing, in Table I herewith the war garrison for this Department has been reduced to a strength of 59,425. To provide a mobile reserve for the beach and land defense of Oahu, and to defend the Naval Air Station at Kaneohe and military air fields on outlying islands, an increase to approximately 70,600 officers and men is essential. A further increase of about 860 officers and men is highly desirable to furnish station complements for Schofield Barracks and Fort Shafter. I therefore recommend that the war strength of this command for initial war operations be fixed at approximately 71,500 officers and men.

7. Recent operations in Europe, particularly the failure of the British to hold the island of Crete, indicate the vital importance to the defense of Oahu of the nearby air fields on the other islands of the Hawaiian group. Hostile use of any of these air fields, considering modern methods of air warfare, would be extremely hazardous to the defense of Oahu. While not yet included in the war garrison recommended for this Department, it is probable that in the near future, plans will be submitted for the garrisoning of each of the outlying islands by a force consisting of approximately one regiment of Infantry and a composite battalion of Field Artillery.

WALTER C. SHORT,
Lieutenant General, U. S. Army,
Commanding.

1-Incl.—Table I.

Capt. Inf.
12-22-41

Subject: War Garrison for Initial War Operations, Hawaiian Department.
AG 320.2 (8-5-41)MC-E 1st Ind. ESA

WAR DEPARTMENT, A. G. O., July 22, 1941.

To: Commanding General, Hawaiian Department.

1. The war garrison recommended in paragraph 2 of the basic communication, totalling 59,425 officers, warrant officers, nurses and enlisted men, reduced to 57,249 as shown in inclosure 2, and augmented by the following units for the defense of Kaneohe Bay:

1 Regt CA (AA), semi-mobile (less one gun Bn, band and basies).....	T/O 4-111	11-1-40....	1, 590
1 Bn CA 155 MM Guns with 1 addit. gun btry.....	T/O 4-35	11-1-40....	694
1 Btry CA.....	T/O 4-67	11-1-40....	157
Total.....			2, 441

is approved. Paragraph 7, HDP-40 will be amended accordingly.

2. The recommendation contained in paragraph 6 of the basic communication to establish a war garrison of 71,500 officers and men for initial war operations in your department is not favorable considered. Troops in excess of the 59,690 authorized in paragraph 1, above, will be sent to Hawaii only in case the situation develops a need therefor and provided such additional troops can be made available in connection with other requirements.

By order of the Secretary of War:

(Signed) E. S. ADAMS,
Major General,
The Adjutant General.
