

EXHIBIT NO. 98

NOVEMBER 26, 1941.

Memorandum for the President:

Subject: Japanese Convoy Movement towards Indo-China.

About a month and a half ago we learned through Magic that the Japanese Government informed the Vichy Government that they proposed to move approximately 50,000 troops into Indo-China in addition to the 40,000 already there by previous agreement.

Today information has accumulated to the effect that a convoy of from ten to thirty ships, some of 10,000 tons displacement, has been assembled near the mouth of the Yangtse River below Shanghai. This could mean a force as great as 50,000, but more probably a smaller number. Included in this ship concentration was at least one landing-boat carrier. The deck-load of one vessel contained heavy bridge equipment. Later reports indicate that this movement is already under way and ships have been seen south of Formosa.

The officers concerned, in the Military Intelligence Division, feel that unless we receive other information, this is more or less a normal movement, that is, a logical follow-up of their previous notification to the Vichy Government.

I will keep you informed of any other information in this particular field.

(Signed) HENRY L. STIMSON,
Secretary of War.
