The University of Sydney agrees to grant and the Licensee agrees to accept a nontransferable and nonexclusive licence to use **MUME- A Multi-Module Software Environment** subject to the following conditions:

1. The University of Sydney makes no representation as to the adequacy of this software for any particular purpose or with respect to its adequacy to produce any particular result. No warranty or guarantee of any type is implied or intended for this material and the Licensee hereby agrees that it will not hold the University of Sydney liable for any latent faults in this material or for any other reason.
2. No title or ownership of the software is transferred to the Licensee.
3. The Licensee shall not make the software available in any form to any third party except the Licencee's employees or students for purposes of using the software in the course of bona fide research and teaching conducted by and for the Licensee.
4. The Licensee shall inform the University of Sydney and negotiate an appropriate fee before the software is used in any profit-making venture.
5. The Licensee shall not make substantial alterations to the software without first consulting with the University of Sydney.
6. The Licensee shall not issue substantially modified documentation relating to the software without approval of the University of Sydney.
7. The Licensee shall acknowledge the origin of the software in any publication by the Licensee referring to work performed with the aid of the software.
8. The University of Sydney may terminate this software licence and require return of the software if the Licensee fails to comply with the conditions of this licence.

9. Upon acceptance of these terms and conditions as indicated by the signature of an officer of the Licensee having the authority to enter into such agreements, the University of Sydney will make the software available to the Licensee on payment of $AS 150.00 to cover the University's distribution costs.

I, an authorized official, understand and accept the stated conditions for use of the material to be provided by the University of Sydney.
