In reply refer to:

SUBJECT: Contract NAS8-14000 - Unacceptability of Final Mission Definition Document for AS-204

1. Reference is made to the following correspondence:
 - a. MSFC letter, I-I/IB-UR-1306-66, August 16, 1966
 - b. IBM letter, SAH 766-254, July 27, 1966
2. R-ASTR-NG agrees that the description of the Flight Mission Definition Document existant in NAS8-14000, Appendix 8, probably excludes the two items specified in Reference b.
3. Contract negotiations are presently in progress to redefine NAS8-14000, Appendix 8, to relieve R-ASTR-NG of the unrealistic restrictions of the present appendix.
