SUBJECT: Final LVDC Mission Defining Document
for the Dual Launch Mission (AS-205X/208)

1. This memorandum is to document R-ASTR-NG's understanding that the purpose and intent of the final mission defining document for the Saturn IB baseline dual launch rendezvous mission has been fulfilled by CCBD number 305-67-191 and all previous changes. Accordingly, the AS-205X/208 FMDD should be considered to have been forwarded on May 5, 1967, by CCBD 305-67-191.
2. It is recommended that the LVDC contractor(IBM) be advised that the contractual and technical requirements for the AS-205X/208 FMDD have been satisfied, and that development of the flight programs should proceed through verification in accordance with CCBD 305-67-191 dated May 5, 1967.
