## GEORGE C. MARSHALL SPACE FLIGHT CENTER HUNTSVILLE, ALABAMA

## Memorandum

FROM

: Mr. Kampmeier, R-ASTR-BV

DATE: July 14, 1967

In reply refer to:

: Chief, Guidance and Control

R-ASTR-NG-54-67

Systems Analysis Branch, R-ASTR-NG

JEBlanton/lw/876-8476

SUBJECT: Review of "Final Flight Simulation Report for

AS-206, Flight Control Computers"

1. Reference is made to Memorandum R-ASTR-BV-888-67/5.4 "Overdue Document Review Comment," dated 6/6/67.

2. Review of the subject document has been completed and is judged to satisfy those requirements under cognizance of R-ASTR-NG. The portion of the work results reported in the document under cognizance of R-ASTR-NG is defined in Enclosure 1.

3. The remaining documents, for which Mr. Blanton was listed as an addressee in the referenced document and for which comments are now overdue, are not

under cognizance of R-ASTR-NG.
