An officer or enlisted man of the Marine Corps serving in Porto Rico since the act of March 2, 1901 (31 Stat., 903), is respectively entitled to 10 and 20 per cent increase of pay for such service, as well as during the outward and return voyages. (Court of Claims of the United States No. 30481 (decided Apr. 1, 1912), *Nelson P. Vulte v. the United States.*) Under this decision officers and men of the Marine Corps continued to be entitled to 10 and 20 per cent increase while serving in Canal Zone, Panama, Hawaii, or Porto Rico until the act of August 24, 1912, quoted in (f) below.

Under the above, foreign-service pay of officers should be computed on base and longevity pay only.

(See also Comp. Dec., Nov. 7, 1911; p. 1912, Bu. Memo. No. 129.) (Comp. Dec. Mar. 22, 1912.)

The officers are entitled to traveling expenses (mess bill) from the time of departure to time of arrival at objective point. (Comp. Dec., June 5, 1914; Bu. Memo. 160, p. 3253.)

(h) “Provided further, That marine gunners and quartermaster clerks of the Marine Corps assigned on foreign shore service shall be entitled to the same increased compensation and under the same conditions as is now or hereafter allowed by law to commissioned officers of the Marine Corps.” (Act Mar. 4, 1917, 39 Stat., 1188.)

(i) SEA PAY—Provided, That the increased compensation as now fixed by law for the Marine Corps for foreign-shore service shall hereafter be paid to the officers and enlisted men of that corps while on sea duty, in the same manner and under the same

conditions as is provided by the act approved May 13, 1908, for officers of the Navy. (Act Mar. 3, 1915.) Officers and men are not entitled to sea pay under this act while in confinement awaiting or undergoing trial (Compts. Dec., Aug. 24, 1915; Bu. Memo. 174, p. 3706), nor while on leave or furlough (see Compt. Dec., June 8, 1915, Memo. 172, p. 3703). **6. Pay for Providing Mounts.**—(a) "In case any officer below the grade of major, required to be mounted, provides himself with suitable mounts at his own expense, he shall receive an addition to his pay of \$150 per annum if he provides one mount, and \$200 per annum if he provides two mounts." (Act May 11, 1908.)

(b) Officers required by regulations or orders from proper authority to be mounted may obtain the additional pay for providing such mounts in the following manner: By filing with the first voucher (N. M. C. 423) on which credit is obtained duplicate copies of their orders requiring them to be mounted, together with proper certificates from their commanding officer that the mount, or mounts, are in all respects suitable for the military service, and conform to the standards for mounts prescribed by proper authority (citing authority). Subsequent vouchers need only refer to the original authority and the first voucher with which such authority is filed.

The officers detailed and the enlisted men of the Naval Flying Corps shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy and Marine Corps detailed to duty with air craft involving actual flying.

(d) The act approved August 29, 1916, provides that nothing in this act shall be so construed as to prevent the detail of officers and enlisted men of other branches of the Navy as student aviators or student airmen in such numbers as the needs of the service may require. Such officers and enlisted men, while detailed as student aviators and student airmen involving actual flying in air craft, shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy detailed for duty with air craft.

(e) This increase applies to base and longevity pay and to all allowances except those furnished in kind. Mileage is an allowance within the meaning of this law. (19 Comp., 649.) (Act of June 12, 1906.)

The act approved August 29, 1916, provides that hereafter any retired officer of the naval service who shall be detailed on active duty shall, while so serving, receive the active duty pay and allowances of the grade, not above that of lieutenant commander in the Navy or of major in the Marine Corps, that he would have attained in due course of promotion if he had remained on the active list for a period beyond the date of his retirement equal to the total amount of time during which he has been detailed on active duty since his retirement: *Provided*, That nothing herein shall be construed to reduce the pay of any retired officer on active duty whose retired pay exceeds the active-duty pay and allowances for the grade of lieutenant commander.

(d) "Provided, That assignments which have been, or may hereafter be made, of retired officers of the Army to active duty as acting quartermasters shall be regarded as assignments to staff duties not involving service with troops within the meaning of the act of Congress approved April twenty-third, nineteen hundred and four."

(Act July 1, 1918.)

(g) That during the existence of war or of a national emergency, declared as aforesaid, any commissioned or warrant officer of the Navy, Marine Corps, or Coast Guard of the United States on the retired list, while on active duty, may be temporarily advanced to and commissioned in such higher grade or rank on the retired list, not above that of lieutenant commander in the Navy or major in the Marine Corps or captain in the Coast Guard, as the President may determine, and any officer so advanced, shall, while on active duty, be entitled to the same pay and allowances as officers of like grade or rank on the active list: *Provided*, That any such commissioned or warrant officer who has been so temporarily advanced in grade or rank shall, upon his relief from active duty, or in any case not later than six months after the termination of the war or of the national emergency, declared as aforesaid, revert to the grade or rank on the retired list and to the pay and allowance status which he would have held had he not been so temporarily advanced: *Provided further*, That nothing in this act shall operate to reduce the pay and allowances now allowed by law to retired officers. ## PAY IN GENERAL.

1. **Pay Assimilated with Army.**—(a) \* \* \* "The enlisted men of the Marine Corps shall be entitled to receive the same pay and bounty for reenlisting as are or may be provided by or in pursuance of law for \* \* \* enlisted men of like grades in the Infantry of the Army." (R. S., 1912.)

(b) "No officer or enlisted man absent from duty on account of sickness, disease, or injury resulting from his own Intemperate use of drugs, alcoholic liquors, or other misconduct shall receive pay for such period of absence." (Acts of Apr. 27, 1914, and Aug. 29, 1916; July 1, 1918.)

(c) *Sergeant majors and quartermaster sergeants* are entitled to the pay of regimental sergeant majors and regimental quartermaster sergeants, United States Army, respectively. (6 Comp. Dec., 599.)

(d) That the pay of *drum major* shall be the same as that now established, or that may be hereafter established, for first sergeants in the Marine Corps of the same length of service. (Naval appropriation act, approved July 26, 1894.)

(e) *Gunnery sergeants* have the rank and allowances, including continuous-service pay, of a first sergeant and pay at the rate of \$5 per month. (Act of Aug. 22, 1912.)

(f) The pay of members of the *United States Marine Band* is fixed by the act of August 29, 1916. By this act the leader of the band is given the pay and allowances of a captain, the second leader is given the allowances of a sergeant major, and the musicians the allowances of a sergeant.

(g) **Bounty for Reenlistment.**—"That hereafter any private soldier, musician, or trumpeter honorably discharged at the termination of his first enlistment period who reenlists within three months of the date of said discharge shall, upon such reenlistment, receive an amount equal to three months' pay at the rate he was receiving at the time of his discharge." (Act May 11, 1908.) Three months' pay includes all pay a man was receiving at the time of his discharge. (Comp. Dec., June 8 and 11, 1908.) Drummers in the Marine Corps are also entitled to receive the three months' pay provided in the act of May 11, 1908. (Comp. Dec., Jan. 28, 1909.) War pay, act of May 18, 1917, to be included in computing bounty. (Comp. Dec., Dec. 13, 1917.)

(h) That sections 1280, 1281, and 1284 of the Revised Statutes be, and are hereby, repealed. \* \* \* (Act May 11, 1908.)

(i) That nothing herein contained shall be construed so as to reduce the pay or allowances now authorized by law for any officer or enlisted man of the Army, and all laws or parts of laws inconsistent with the provisions of this act are hereby repealed. (Act May 11, 1908.)

An enlisted man of the Marine Corps detained beyond the expiration of his enlistment to await trial by court-martial and who acquitted is entitled only to his regular pay while so held. (Comp. Dec., Apr. 9, 1912.)

(j) **Travel Pay.**—The national-defense act, approved June 3, 1916, provides that on and after July 1, 1916, an enlisted man when discharged from the service, except by way of punishment for an offense, shall receive 34 cents per mile from the place of his discharge to the place of his acceptance for enlistment, enrollment, or original muster into the service, at his option: *Provided*, that for sea travel on discharge, transportation and subsistence only shall be furnished to enlisted men.

Enlisted men discharged on account of fraudulent enlistment, desertion, by purchase, for own convenience, or while in the hands of the civil authorities, are not entitled to travel allowance under the above law.

"And provided further, That in the discretion of the Secretary of War, and under such regulations as he may prescribe, travel pay at the rate now prescribed by law for discharged soldiers may be given to all enlisted men for whom the law authorizes travel allowances as an incident to their entry upon and relief from active duty with the Army. (Act July 9, 1918.)

"That an enlisted man honorably discharged from the Army, Navy, or Marine Corps since November eleventh, nineteen hundred and eighteen, or who may hereafter be honorably discharged, shall receive five cents per mile from the place of his discharge to his actual bona fide home or residence, or original muster into the service, at his option: *Provided*, That for sea travel on discharge, transportation and subsistence only shall be furnished to enlisted men; *Provided*, That naval reservists duly enrolled who have been honorably released from active service since November eleventh, nineteen hundred and eighteen, or who may hereafter be honorably released from active service, shall be entitled likewise to receive mileage as aforesaid." (Act of Feb. 28, 1919.)

(k) **Hospital Fund.**—Twenty cents per month will continue to be deducted from the above rates, as usual, for the naval hospital fund.

## PAY—CONTINUOUS SERVICE.

2. (a) "Hereafter any soldier honorably discharged at the termination of an enlistment period, who reenlists within three months thereafter, shall be entitled to continuous service pay as herein provided, which shall be in addition to the initial pay provided for in this act and shall be as follows, namely: For those whose initial pay as provided herein is \$36 or more, an increase of \$1 monthly pay for and during the second enlistment, and a further increase of \$4 for and during each subsequent enlistment up to and including the seventh enlistment. For those whose initial pay as provided for herein is \$18, \$21, \$24, or \$30, an increase of \$3 monthly pay for and during the second enlistment, and a further increase of \$3 for and during each subsequent enlistment up to and including the seventh, after which the pay shall remain as in the seventh enlistment. For those whose initial pay as provided herein is \$15 and \$16, an increase of \$3 monthly pay for and during the second and third enlistments each, and a further increase of \$1 for and during each subsequent enlistment up to and including the seventh, after which the pay shall remain as in the seventh enlistment: *Provided*, That hereafter any soldier honorably discharged at the termination of his first or any succeeding enlistment period who reenlists after the expiration of three months shall be regarded as in his second enlistment; that an enlistment shall not be regarded as complete until the soldier shall have made good any time lost during an enlistment period by unauthorized absences exceeding one day, but any soldier who receives an honorable discharge for the convenience of the Government after having served more than half of his enlistment shall be considered as having served an enlistment period within the meaning of this act; that the present enlistment period of men now in service shall be determined by the number of years' continuous service they have had at the date of the approval of this act, under existing laws, counting three years to an enlistment, and the former service entitling an enlisted man to reenlist pay under existing laws shall be counted as one enlistment period." (Army act, May 11, 1908.) By the act of August 24, 1912, it is provided "That for all enlistments hereafter accomplished under the provisions of this act four years shall be counted as an enlistment period in computing continuous-service pay." For application of this law to the Marine Corps, see Comptroller's Decisions, September 4, 1913, Bureau Memoranda, No. 150, page 2758. "The national-defense act of June 3, 1916, provides that for all enlistments accomplished after November 1, 1916, three years shall be counted as an enlistment period in computing continuous-service pay."

(b) The only method which will place the enlisted men of the Army and Marine Corps on as nearly an equal footing as possible and give effect to section 1012 of the Revised Statutes as far as possible in connection with the requirements of the act of May 11, 1908, above, is to hold that a new enlistment period for men of the Marine Corps begins after a continuous service of three years without regard to discharge and reenlistment, except that the men must remain continuously in the service. (Comp. Dec., Aug. 8, 1908.)

(c) In computing continuous service of marines for purpose of pay, only service in the Army and Marine Corps is counted. In counting Marine Corps service it is prescribed under the act of May 11, 1908, and the decision of the Comptroller of August 8, 1908, above mentioned, to count three years to an enlistment for all continuous service (except the time a soldier is held in service beyond the expiration of his enlistment subsequent to the act of May 11, 1908, and as otherwise provided in said act—see Comp. Dec., Oct. 9, 1909, case of Sergt. West, and Oct. 28, 1909, case of Pvt. Daly), whether prior or subsequent to May 11, 1908, and in addition thereto to count one enlistment period for former service entitling the soldier to reenlistment (class 3) pay. Army service prior to May 11, 1908, is also counted on the same basis; but in counting Army service subsequent to May 11, 1908, for a man who has enlisted in the Marine Corps from the Army, such Army service should be counted on the basis of a full enlistment period, except as otherwise provided, with an honorable discharge and reenlistment within the proper time, i. e., an Army soldier is entitled upon enlisting in the Marine Corps to receive the same pay as he would have received if he had reenlisted in the Army. (Comp. Dec., Aug. 8, 1908; Army Pay Manual, 582, note 2, and Comp. Dec., June 28, 1909, case Bobolsky.)

(d) The provisions of the act of May 11, 1908, above mentioned, apply to soldiers reenlisting after May 11, 1908, who were honorably discharged at the termination of an enlistment period prior to the passage of said act, as well as to soldiers so reenlisting who were honorably discharged after the passage of said act. (Comp., June 11, 1908.)

(e) A soldier who reenters the service on or after May 12, 1908, after having remained out more than three months, is entitled to the pay of the second enlistment; but a soldier who completed one or more enlistments that did not entitle him to reenlistment pay, and reentered the service on or before May 11, 1908, having remained out over three months, is not entitled to credit for his former service.

(f) An enlistment shall not be regarded as complete until the soldier shall have made good any time in excess of one day lost by unauthorized absences, or on account of disease or injury resulting from his own intemperate use of drugs or alcoholic liquors or other misconduct, or while in confinement awaiting trial or disposition of his case if the trial results in conviction, or while in confinement under sentence. (Act Apr. 27, 1914; Aug. 29, 1916, as amended by act July 1, 1918.)

(g) The second leader of the Marine Band is entitled to the continuous-service pay of a regimental sergeant major. The first and second class musicians of the band are not allowed continuous-service pay. (See sec. 24, personnel act, Mar. 3, 1899, 5 Comp., 745, and Comp. Dec., June 30, 1908.)

(h) The continuous service of retired enlisted men is counted in the same manner as is provided for counting the past services of men on the active list. (Comp. Dec., June 26, 1908.)

(i) Service in the Army of less than one-half of the regular enlistment period and terminated by the purchase of discharge should not be included in determining, as far as pay is concerned, the date upon which a subsequent enlistment period is to begin. (Comp. Dec., Mar. 20, 1912.)

(j) Enlisted men of the Marine Corps reenlisting after remaining out of the service over three months are required to make up time lost in the preceding enlistment before becoming entitled to pay as in second enlistment. (Comp. Dec., Feb. 4, 1918.)

(k) That any enlisted man of the Navy or Marine Corps upon the retired list who has been ordered into active service since April sixth, nineteen hundred and seventeen, or who may hereafter be ordered into active service, shall be eligible for promotion and he shall be entitled to the pay and benefits of continuous service of such rank and for such length of time as he is or has been employed in active service, and when relieved of active service shall retain upon the retired list the rank and service held by him at the time of such relief, with the pay and allowances of such rank on the retired list; and the accounting officers of the Treasury are hereby directed to allow in the accounts of any enlisted man of the Navy or Marine Corps who resigned from the retired list in order to reenlist for appointment in a higher grade, the same continuous service pay and the benefits of such rank to which he may have been appointed upon reenlistment, as if his service had been continuous, and any difference in pay from the date of reenlistment shall be credited to his account. (Act July 1, 1918.)

(l) *Provided further*, That hereafter any enlisted man of the Army who shall be discharged to enable him to accept a commission in the Officers' Reserve Corps, or in any National Guard or militia organization, or in any volunteer force that may be authorized in the future, and who shall enlist in the Army within three months after the termination of his connection as an officer with that corps, or with any organization of the National Guard or militia, or a volunteer force, or during the continuation of his connection therewith, as an officer, shall, in computing continuous-service pay now authorized by law, be entitled to credit for the period of time actually served by him prior to said discharge, and in computing service for retirement and continuous-service pay, service as an officer of the National Guard, while in the service of the United States, service in any volunteer force, and service in the Officers' Reserve Corps in active service shall be counted. (Act May 12, 1917.)

## FOREIGN-SERVICE PAY.

3. (a) "The pay proper of all enlisted men serving beyond the limits of the States comprising the Union and the Territories of the United States contiguous thereto shall be increased twenty per centum over and above the rates of pay proper as fixed by law for time of peace, and the time of such service shall be counted from the date of departure from the said States to the date of return thereto" (both dates inclusive). (Act Mar. 2, 1901, 31 Stat., 903. See also act of Mar. 3, 1901, 31 Stat., 1108, and Army act of June 30, 1902.)

By the act of June 12, 1906 (34 Stat., 247), enlisted men serving in Porto Rico and Hawaii are excepted from the foregoing act of March 2, 1901. (13 Comp. Dec., 33, July 21, 1906.) This does not apply to the Marine Corps and enlisted men of the Marine

Corps continued to be entitled to foreign-service pay for service in the Canal Zone, Panama, Hawaii, and Porto Rico, under the decision of the Court of Claims in the case of Nelson P. Vulte v. the United States, until the passage of the act of August 24, 1912, quoted below:

"That increase of pay for service beyond the limits of the States comprising the Union and the Territories of the United States contiguous thereto shall be as now provided by law." (Act May 11, 1908.) The effect of this provision is to continue the limitation imposed by the act of June 12, 1906, as to pay for service in Porto Rico and Hawaii. (Comp. Dec., June 2, 1908.) "Provided, That hereafter the laws allowing increase of pay to officers and enlisted men for foreign service shall not apply to service in the Canal Zone, Panama, or Hawaii, or Porto Rico." (Act Aug. 24, 1912; 37 Stat., 576.)

(b) "The term 'pay proper' means compensation which may properly be designated as 'pay' as distinguished from allowances." (Sup. Ct., Mar. 13, 1905.) But by the comptroller's decision of May 19, 1916 (21 Comp., p. 811), foreign-service pay is computed on base pay, pay for continuous service, and pay for good-conduct medals only.

(c) Enlisted men transferred from ships to foreign shore stations for the purpose of transfer to the United States or for treatment in hospital, if subsequently returned to ship, are not entitled to twenty per centum increase pay during the time ashore or while en route to the United States.

(d) **SEA PAY.** *Provided*, That the increased compensation as now fixed by law for the Marine Corps for foreign-shore service shall hereafter be paid to the officers and enlisted men of that corps while on sea duty, in the same manner and under the same conditions as is provided by the act approved May thirteenth, nineteen hundred and eight, for officers of the Navy. (Act Mar. 3, 1915.) Officers and enlisted men are not entitled to sea pay under this act while in confinement awaiting or undergoing trial (Comp. Dec., Aug. 24, 1915, Bu. Memo. 174, p. 3766), nor while on leave or furlough. (See Comp. Dec., June 8, 1915, Bu. Memo. 172, p. 3763.)

Entitled to sea pay for duty performed at sea under orders, though not formally or technically attached to the vessel as part of her complement. (See 22 Comp., 271.)

### PAY, AVIATION DUTY.

4. (a) Hereafter enlisted men of the Navy or Marine Corps, while detailed for duty involving actual flying in air craft, shall receive the pay, and the permanent additions thereto, including allowances, of their rating and service, or rank and service, as the case may be, plus fifty per centum increase thereof. (Act Mar. 3, 1915.) This increase is computed on base pay, pay for good-conduct medals, and continuous-service pay only; but not computed on sea or foreign-service pay. (See 22 Comp., p. 11.) Men are entitled to increase while on furlough. (See Bu. Memo. 162, p. 3333.)

(b) The officers detailed and the enlisted men of the Naval Flying Corps shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy and Marine Corps detailed to duty with air craft involving actual flying. (Act Aug. 20, 1916.)

(c) Nothing in this act shall be so construed as to prevent the detail of officers and enlisted men of other branches of the Navy as student aviators or student alrmen in such numbers as the needs of the service may require. Such officers and enlisted men, while detailed as student aviators and student alrmen involving actual flying in air craft, shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy detailed for duty with air craft.

### ADDITIONAL PAY FOR SPECIAL SERVICE.

5. (a) **Mess Sergeant.**—The Army act of May 11, 1908, provides that mess sergeants shall receive \$6 per month in addition to their pay. (Comp. Dec., June 30, 1908.)

(b) **Cooks.**—Privates regularly detailed as cooks shall receive, in addition to the pay otherwise allowed by law, the following: First-class cooks, \$10 per month; second-class cooks, \$8 per month; third-class cooks, \$7 per month; and fourth-class cooks, \$5 per month. (Act Mar. 2, 1907.)

(c) **Gun Pointers, Messmen, Gun Captains, Mail Clerks, Signalmen, and Holders of Good-Conduct Medals, Pins, or Bars.**—All enlisted men of the United States Marine Corps regularly detailed as gun pointers, Navy mail clerks, gun captains, messmen, or signalmen, or holding good-conduct medals, pins, or bars, shall receive the same extra compensation, in addition to their monthly pay, as is now or may hereafter be allowed enlisted men of the Navy. Enlisted men of the Marine Corps regularly detailed as messmen, whether for duty afloat or ashore, may be paid additional compensation as provided for enlisted men of the Navy. (R., 4427.) Under the act of May 13, 1908, enlisted men of the Marine Corps are entitled to 10 per cent increase of pay upon each good-conduct medal, pin, or bar held by them. (Comp. Dec., Jan. 19, 1910.)

For particulars as to allowance and detail of mess sergeants, cooks, and messmen, see Marine Corps Orders.

"*Provided*, That the provisions of the act of May 27, 1908 (35 Stat., 417, 418), as amended by the act of August 21, 1912 (37 Stat., 590), are hereby extended to authorize the designation of enlisted men of the Navy or Marine Corps as Navy mail clerks and assistant Navy mail clerks with expeditionary forces on shore." (Act Mar. 4, 1917, 39 Stat., 1188.)

(d) **Expert Riflemen, Sharpshooters, and Marksmen.**—Enlisted men now qualified or hereafter qualifying as expert riflemen shall receive, in addition to their pay, \$5 per month; those qualifying as sharpshooters, \$3 per month, and those qualifying as marksmen, \$2 per month." (Army act, May 11, 1908.)

(e) **Marine Band for Playing at White House and Public Grounds.**—Members of the Marine Band are allowed \$4 per month in addition to the rates of pay as given above for playing at the White House and public grounds. (Act of Aug. 18, 1856.)

(f) That each enlisted man of the Army to whom there has been or shall be awarded a medal of honor, a distinguished-service cross, or a distinguished-service medal shall, for each such award, be entitled to additional pay at the rate of \$2 per month from the date of the distinguished act or service on which the award is based, and each bar, or other suitable device, in lieu of a medal of honor, a distinguished-service cross, or a distinguished-service medal, as hereinafter provided for, shall entitle him to further additional pay at the rate of \$2 per month from the date of the distinguished act or service for which the bar is awarded, and said additional pay shall continue throughout his active service, whether such service shall or shall not be continuous; but when the award is in lieu of the certificate of merit, as provided for in section three hereof, the additional pay shall begin with the date of the award. (Act July 9, 1918.)

SEC. 4. That each enlisted or enrolled person of the naval service to whom is awarded a medal of honor, distinguished-service medal, or a Navy cross, shall, for each such award, be entitled to additional pay at the rate of \$2 per month from the date of the distinguished act or service on which the award is based and each bar, or other suitable emblem or insignia, in lieu of a medal of honor, distinguished-service medal, or Navy cross, as hereinafter provided for, shall entitle him to further additional pay at the rate of \$2 per month from the date of the distinguished act or service for which the bar is awarded, and such additional pay shall continue throughout his active service, whether such service shall or shall not be continuous.

SEC. 5. That no more than one medal of honor or one distinguished-service medal or one Navy cross shall be issued to any one person; but for each succeeding deed or service sufficient to justify the award of a medal of honor or a distinguished-service medal or a Navy cross, respectively, the President may award a suitable bar, or other suitable emblem or insignia, to be worn with the decoration, and the corresponding rosette or other device. (Act of Feb. 4, 1919.)

## PAY TABLE MARINE CORPS RESERVE FORCE.

**I. Retainer Pay—Enrolled Members Fleet Marine Corps Reserve—Class 1 (a) and Class 1 (b)—**

1. *Class 1 (a).*—The annual retainer pay of officers is two months' base pay of the corresponding rank in the Marine Corps, plus 25 per cent of the base pay for each enrollment of four years, counting all service in Navy, Marine Corps, National Naval Volunteers and Naval Militia, and for each subsequent enrollment within three months, provided they have performed the required active service.

2. *Class 1 (b).*—Same as class 2, M. C. R. "A." The annual retainer pay of enlisted men provisional twelve dollars; enlisted men confirmed two months' base pay of the corresponding rank in the Marine Corps plus 25 per cent of the base pay for each enrollment of four years and for each subsequent enrollment within three months.

All service in the Navy, Marine Corps, National Naval Volunteers and Naval Militia shall be counted as continuous service in the Naval Reserve Force. (Act July 1, 1918.)

NOTES.—(a) Enrollment and reenrollment shall be for four years.

(b) That in time of peace no member of any class of the Naval Reserve Force shall be entitled to retainer pay when assigned to active duty for purposes other than training. (Act July 1, 1918.)

(c) Retainer pay is payable only on condition that members make such reports as may be required by the Secretary of the Navy.

(d) Two months' active service under each enrollment is required. This may be taken in one or more periods.

(e) Retainer pay is paid annually or at shorter intervals, as the Secretary of the Navy may direct. The Secretary of the Navy has prescribed that enrolled officers and men of the Fleet Marine Corps Reserve shall be paid quarterly by check by a disbursing officer of the Marine Corps.

(f) All members are, while in active service, entitled to the same pay, allowances, gratuities, etc., as officers and men of the regular service.

(g) Upon first reporting for active service for training during each enrollment, officers are entitled to credit with a uniform gratuity of \$50. Upon reporting for active service in time of war, or other national emergency, the uniform gratuity for officers is \$150. The uniform gratuity for the members other than officers, of each class of the Marine Corps Reserve (except class 1 (c) and 1 (d), Fleet Marine Corps Reserve) shall be \$100, but in time of peace the Major General Commandant shall prescribe the portion of the clothing gratuity to be issued to each member, other than officers, of the Marine Corps Reserve: *Provided*, that no part of the clothing gratuity credited to members of the Marine Corps Reserve shall be deducted from their accounts when said members accept or have accepted temporary appointments in the Marine Corps in time of war or other national emergency.

Should any member voluntarily sever his connection with the service, the amount of this gratuity so credited shall be deducted from any pay due him. Clothing gratuity for men is credited by the Quartermaster Department (see par. 921 et seq., System of Accountability, U. S. M. C.). Class 1 (c) and class 1 (d) do not receive a uniform gratuity. Officers of the Marine Corps Reserve on first reporting for active duty for training, or in time of war, will be paid the proper uniform gratuity on their first pay voucher rendered after so reporting, in accordance with paragraph 283 (14 (b) and (c) of Marine Corps Orders No. 13 (series 1917)). In this connection see comptroller's decision, March 13, 1917.

(1) That the uniform gratuity for the members, other than officers, of each class of the Naval Reserve Force shall be the same as that prescribed for enlisted men of the Navy, but in time of peace the Secretary of the Navy shall prescribe the portion of the clothing gratuity to be issued to such members, other than officers, of the Naval Reserve Force. (Act July 1, 1918.)

(2) That no part of the clothing gratuity credited to members of the Naval Reserve Force shall be deducted from their accounts where such members accept or have accepted temporary appointments in the Navy in time of war or other national emergency. (Act July 1, 1918.)

(h) Members employed in other branches of service, except military service, may receive the pay and allowances incident thereto, in addition to their retainer pay.

(i) Retainer pay is \$12 per annum for all reenrolled members who on any previous enrollment failed to perform 2 months' active service, until 2 months' active service is completed.

(j) No member shall be entitled to travel allowance (i. e., Government transportation and subsistence in the case of a man or mileage in the case of an officer) unless the period of such active service (the prescribed two months) is for not less than one month, or unless specifically provided for by such regulations as may be prescribed by the Secretary of the Navy.

(k) Enrolled members who have completed 20 years in the Reserve, who have performed the required active service, shall, upon their own application, be retired, and on retirement receive a cash gratuity equal to the total retainer pay during last term of enrollment.

(l) All enrolled members may, in time of peace, or when no national emergency exists, be discharged upon request, upon reimbursing the Government for any clothing gratuity that may have been furnished them during their current enrollment.

(m) Men enrolling within three months of date of discharge from the regular service who reenlist in the regular service within 3 months of the date of discharge from the Fleet Reserve are entitled to gratuity and continuous service pay.

(n) Enrolled members are not subject to the laws and regulations for the government of the Navy, except while in active service. While engaged in actual service for training, or when called to service in time of war or national emergency, their accounts for such service will be carried in the same manner as enlisted men in the regular service, and deduction at the rate of 20 cents per month made for hospital fund under the provisions of section 1614, Revised Statutes. (Comp. Dec., Dec. 27, 1916.)

(o) All the above notes are based on the provisions of the act of August 29, 1916. The text is greatly abbreviated, and in case of doubt the original act should be consulted.

(p) "The retainer pay of the enrolled men of the Fleet Naval Reserve shall be the same as for the enrolled men of the Naval Reserve and shall be computed in like manner: *Provided*, That nothing herein shall operate to reduce the retainer pay allowed by existing law to enlisted men who, after sixteen years' or more naval service, are transferred to the Fleet Naval Reserve, nor to deny to such enlisted men their privilege of retirement upon completing thirty years' naval service, as now provided by law." (Act July 1, 1918.)

(q) That the annual retainer pay of members of the Naval Reserve Force, except officers in the Naval Auxillary Reserve and transferred members of the Fleet Naval Reserve, after confirmation in rank, grade, or rating, shall be the equivalent of two months' base pay of the corresponding rank, grade, or rating in the Navy, but the highest base pay upon which the retainer pay of officers of the Naval Reserve Force shall be computed shall not be greater than the base pay of a lieutenant commander. Service in the Navy, Marine Corps, National Naval Volunteers, and Naval Militia shall be counted as continuous service in the Naval Reserve Force, both for the purpose of retirement and of computing retainer pay: *Provided*, That no member of the Naval Reserve Force shall be eligible for retirement other than for physical disability incurred in line of duty: *Provided further*, That no retainer pay of any member of the Naval Reserve Force except those enlisted men transferred to the Fleet Naval Reserve after sixteen or twenty or more years' naval service shall be in excess of the amount authorized to members having had sixteen years' continuous service therein. (Act July 1, 1918.)

(r) That in time of peace the Secretary of the Navy is authorized, in his discretion, to order any member of the Naval Reserve Force, with his consent, who has been confirmed in his rank, grade, or rating, to perform any duty afloat for any period of time for which his services may be required. (Act July 1, 1918.)

(s) Members of the Naval Reserve Force when employed in active service, ashore or afloat, under the Navy Department shall receive the same pay and allowances as received by the officers and enlisted men of the Regular Navy of the same rank, grade, or ratings and of the same length of service, which shall include service in the Navy, Marine Corps, Naval Reserve Force, Naval Militia, National Naval Volunteers, or Marine Corps Reserve. (Act July 1, 1918.)

2. *Class 1 (d)*.—Men transferred to the reserve list after completing 20 or more years of naval service shall be paid a retainer at the rate of one-half of the base pay they were receiving at the close of their last naval service plus the total of all permanent additions thereto. NOTES.—(a) The retainer pay of class 1 (c) and class 1 (d) shall be increased 10 per cent for all men credited with extraordinary heroism in the line of duty, or in the case of class 1 (d) the retainer pay is increased 10 per cent for those whose average marks in conduct for 20 years or more shall not be less than 95 per cent of the maximum.

(b) The pay of any member of the Fleet Marine Corps Reserve shall be forfeited when so ordered by the Secretary of the Navy upon the failure, under such conditions as may be prescribed by the Secretary of the Navy, of such men to report for inspection.

(c) Members who have established their qualifications by examination may be given warrants as marine gunners, quartermaster clerks, clerks for assistant paymasters, or second lieutenants. This does not deprive them of the pay, allowances, or gratuities to which they would otherwise be entitled.

(d) Members of this class may be retired upon their own request after completing 30 years of service, including all naval and Fleet Marine Corps Reserve service, and when so retired they receive the same pay they were receiving when retired, plus the allowances to which retired enlisted men of the regular Marine Corps are entitled.

(e) Members of this class are continued in the reserve until discharged or retired, and are subject to the laws and regulations for the government of the Navy.

(f) Members of class 1 (c) and class 1 (d) do not receive uniform gratuity.

(j) The accounts of members of this class while engaged in actual service for training, or when called to service in time of war or national emergency, will be carried in the same manner as enlisted men of the regular service, but deduction at the rate of 20 cents per month for hospital fund will not be made from active duty pay as this is to be deducted from the retainer pay at all times.
